

Teacher Taster Day

Chipping Campden School

15 November 2024

Chipping Campden School offers Initial Teacher Training Placements as a part of GITEP with the University of Bristol. We have an excellent mentoring programme where you will be guided from lesson observation, to paired teaching, to solo teaching. We are not just a very successful school with altruistic intentions – our aim is to train you well enough so that we can employ you when posts arrive. A high proportion of our Early Career Teachers are appointed this way.

We will be hosting a Teacher Taster Day at Chipping Campden School on Friday 15 November 2024. We hope the day is informative and enjoyable as you gain a bit of insight into the working life of a teacher.
